

Village of Wilmette

Dumpster Permits

Permit Required:

Before depositing a debris dumpster larger than 10 cubic yards on any private or public property, the person requesting the dumpster is required to obtain a dumpster permit from the Director of Engineering. The Department of Engineering will furnish dumpster permit forms to be completed by the dumpster requestor for approval by the Village.

Permit Fee and Permit Deposit:

Permit: \$43.00

Deposit: \$400 for placing a dumpster on public property, alley or street. The deposit is refundable after the dumpster is removed and area has been inspected by the Department of Engineering. Call 847-853-7660 to schedule the inspection.

Obtaining a Dumpster:

The Village has a Commercial Waste Franchise Agreement with Advanced Disposal (formally known as Veolia) for pickup of all construction and demolition debris.

Please contact Advanced Disposal to obtain a dumpster:
