Letter from the Chief

On behalf of the men and women of the Wilmette Police Department, I thank you for your interest in our annual report. The Wilmette Police Department is a full-service law enforcement agency responsible for providing professional police services to the residents and visitors of the Village of Wilmette. The Police Department responds to roughly 20,000 calls for service each year. We are staffed by forty-four sworn police officers who are assigned to patrol, criminal investigations, or as a school liaison officer. We are supported by twenty-four full and part-time civilian employees. The police facility is open 24 hours per day, seven days a week. We maintain a 9-1-1 Communication Center, and our own temporary lock-up, as well as a full-time civilian Social Service Counselor.

The Wilmette Police Department is nationally accredited through the Commission on Accreditation for Law Enforcement Agencies (CALEA). Accreditation is a voluntary process in which the Department is reviewed annually and we must meet an established set of standards. Every fourth year, independent subject matter experts conduct a comprehensive assessment of our organization, policies, and performance. In 2021, CALEA completed an assessment of our Department and we received our eleventh award in the Spring of 2022.

The Wilmette Police Department has held accreditation continuously since 1986, when we were just the 3rd agency in Illinois and 29th in the United States to achieve this recognition. We continue to be one of only 5% of law enforcement agencies who have attained this gold standard in public safety.

In 2022, we brought two major public safety initiatives to the Village Board. The advancement of a body-worn camera (BWC) program and an automated license plate reader (ALPR) program. State statute dictates that a community the size of Wilmette is mandated to implement a BWC program by January 2025. The Police Department recommended advancing BWCs to help create an interoperable in-car and BWC platform in our continuing efforts for transparency and accountability. We also recommended an ALPR program in our attempts to combat crime in real time as well as assist in criminal investigations. This program was developed in a manner to place the highest priority on privacy concerns. The Village Board was supportive of these programs and implementation is planned in 2023.

This report is meant to provide a snapshot of the agency and provide some benchmark data for crime in the community. If we can be of assistance to you, please do not hesitate to contact us and as always, thank you for your continued support.

Sincerely,

Kyle Murphy, Chief of Police

Mission Statement

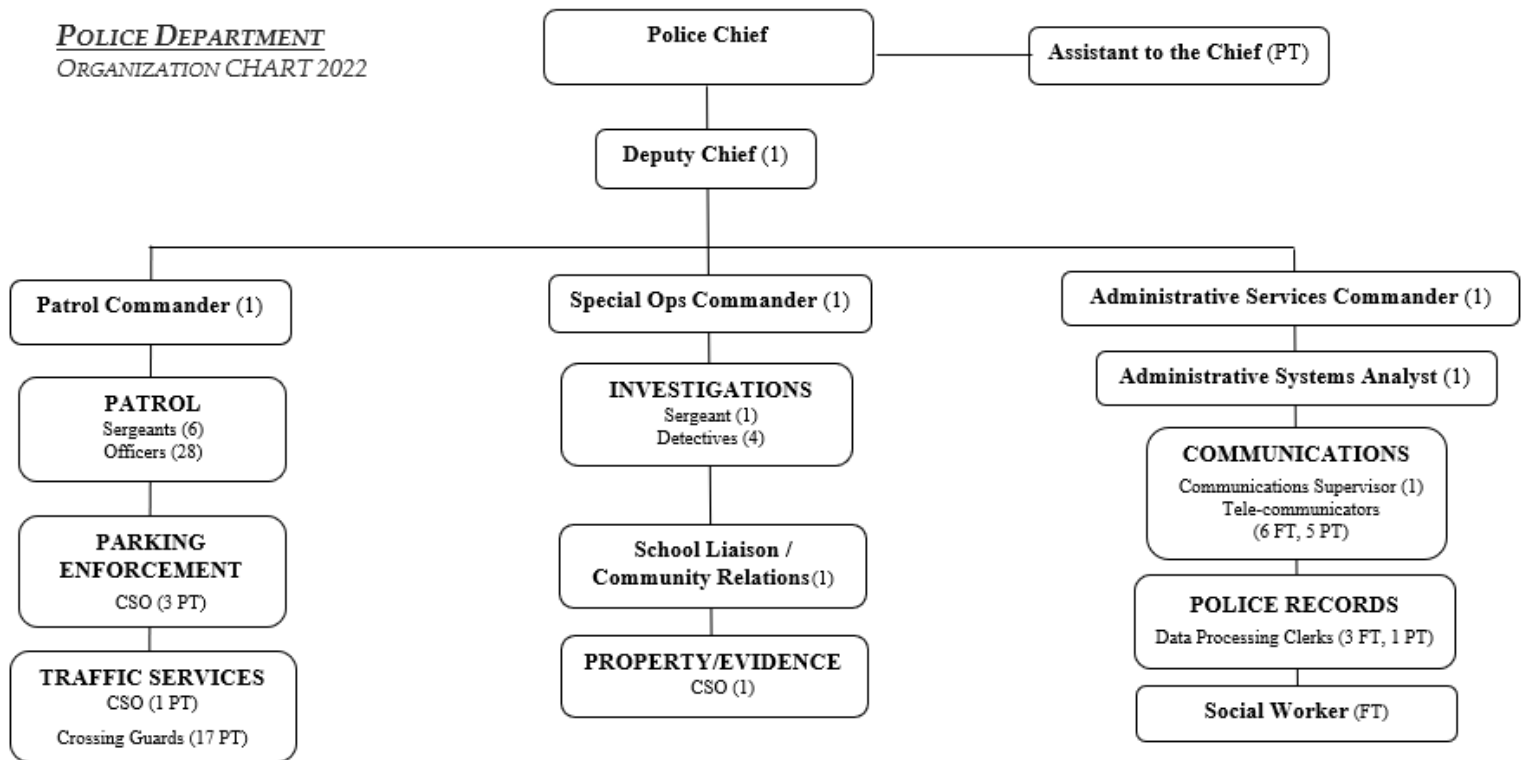

The Wilmette Police Department is dedicated to providing impartial law enforcement, community-oriented services, and police protection in the Village, while maintaining the highest ethical and professional standards.

Value Statement & Guiding Principles

The Wilmette Police Department has the following foundational values and pledges to which it is committed:

- Acknowledging our responsibility to the citizens of Wilmette, the source of our authority
- Performing our duties within the spirit and to the letter of our laws and the Constitution of the United States of America
- Remaining sensitive to human needs and treating each person with respect, compassion and dignity
- Approaching each situation as unique and responding creatively with empathy and the prudent use of discretion
- Promoting mutual trust between the Department, the residents, and institutions of Wilmette
- Enhancing the safety and feeling of security for Village residents
- Fostering a quality of work environment that encourages open communication and affords trust, respect, and support for each member

2022 Wilmette Police Department Organizational Chart

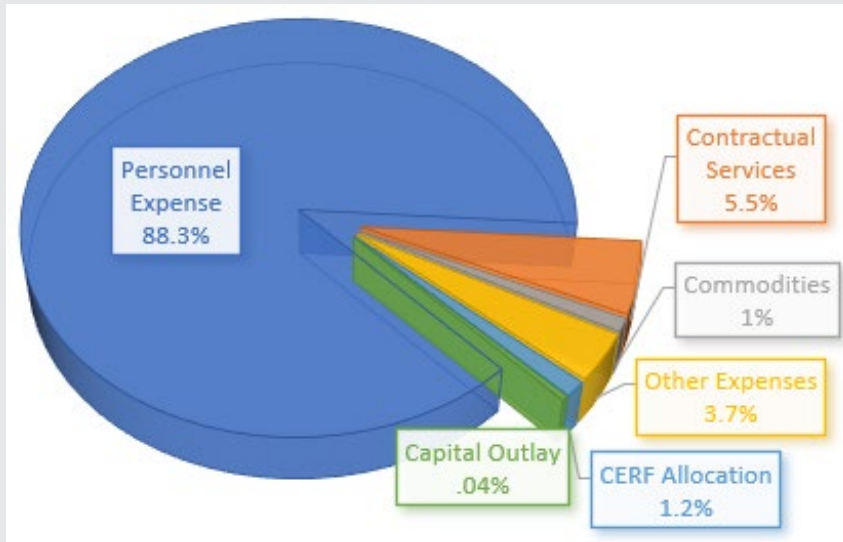

The Wilmette Police Department is a full-service law enforcement agency established by ordinance in 1886. In 1986 it became one of the first law enforcement agencies in the country to obtain Law Enforcement Accreditation from the Commission of Law Enforcement Accreditation (CALEA). It has subsequently been reaccredited by the Commission by consistently adhering to standards of professionalism outlined by the commission and allowing CALEA Assessors to conduct an annual review of the agency's policies and practices on a four-year reaccreditation award cycle. We are one of just 5% of law enforcement agencies in the United States that has sought and maintained an Accreditation Status and one of select few that has maintained Accreditation from its inception in the 1980s. This outside agency evaluation covers over 400 standards of the best policies and practices in law enforcement. This includes areas such as use of force, rights of citizens and detainees, diversionary programs, biased-based policing, community relations and internal affairs.

Police Department Budget

The Wilmette Police Department's operating budget, which is approved by the Board of Trustees, is approximately 10 million dollars. In addition to Law Enforcement Officers and Administrative Staff, personnel services include support staff such as a Social Services Counselor, Records Clerks, and 9-1-1 Tele-Communicators. The Wilmette Police Department remains one of the lowest staffed agencies for sworn officers per 1,000 residents in the area.

Expense by Category FY2022		
Personnel Expense	9,214,277	88.3%
Contractual Services	573,105	5.5%
Commodities	105,550	1%
Other Expenses	384,754	3.7%
CERF Allocation	125,690	1.2%
Capital Outlay	37,000	.04%
Total	10,440,376	100%

Village of Wilmette Profile

The Village of Wilmette is located approximately 15 miles north of downtown Chicago. The Village extends five miles west of Lake Michigan and is approximately one mile wide. What started as a small rural farming community in 1872 is now home to over 27,000 residents.

Wilmette is a vibrant community where citizens, civic organizations, businesses, and local governments work together to ensure the community retains its hometown identity, high quality of life, and natural beauty. The Village is a home rule community with a Village President and Board of Trustees elected at large and a Village Manager who is responsible for the day-to-day operations of the Village.

For more information, visit: www.wilmette.com

Department Performance Measures					
Description	2018	2019	2020 [†]	2021 [†]	2022
Calls for Service	20,285	21,542	17,468	19,214	21,416
Traffic Crash Investigations on Private and Public Property	788	713	367	490	591
Traffic Citations	2,104	1,759	793	1,434	1,422
Parking Citations	7,315	5,316	3,053*	2,953*	3,973
Adult Arrests	338	318	186	327	338
Juvenile Arrests	32	44	29	54	31
DUI Arrests	35	35	29	52	61

[†]The impact of COVID-19 is evident in the statistics for 2020. Due to reduced travel, restricted public interactions, and general health & safety concerns, the Department saw a significant decrease in the number of calls for services, as well as certain services rendered.

* Pending District Court cases impacted enforcement of certain parking restrictions

Incident Volume by Beat

In 2022 the Wilmette Police Department handled 21,416 calls for service. The majority of calls for service were from the public requesting officer assistance and included some officer generated activity.

Officers respond to a variety of priority calls from the public and engage in an assortment of self-initiated activities such as business checks, traffic details, community presentations, and foot patrols. Officers are assigned a patrol beat each day but may respond to other areas of town as dictated by the severity of the situation and volume of calls.

Beat 4: 30%

Beat 3: 18%

Beat 2: 24%

Beat 1: 28%

Crime Reporting

In 2021, the Wilmette Police Department implemented the new nationwide crime reporting system, known as NIBRS (Incident-Based Reporting System). NIBRS is an incident-based reporting system in which local law enforcement collects data on each crime occurrence and submits that information to the FBI.

NIBRS is intended to produce more accurate, detailed, and meaningful data because information is collected about when and where crime takes place, and the characteristics of its victims and perpetrators. Group A Offenses are grouped into three classifications: Crimes Against Persons, Crimes Against Property, and Crimes Against Society. All group A offenses are reportable to the FBI regardless of an arrest being made. Group B Offenses are only submitted to the FBI if an arrest is made.

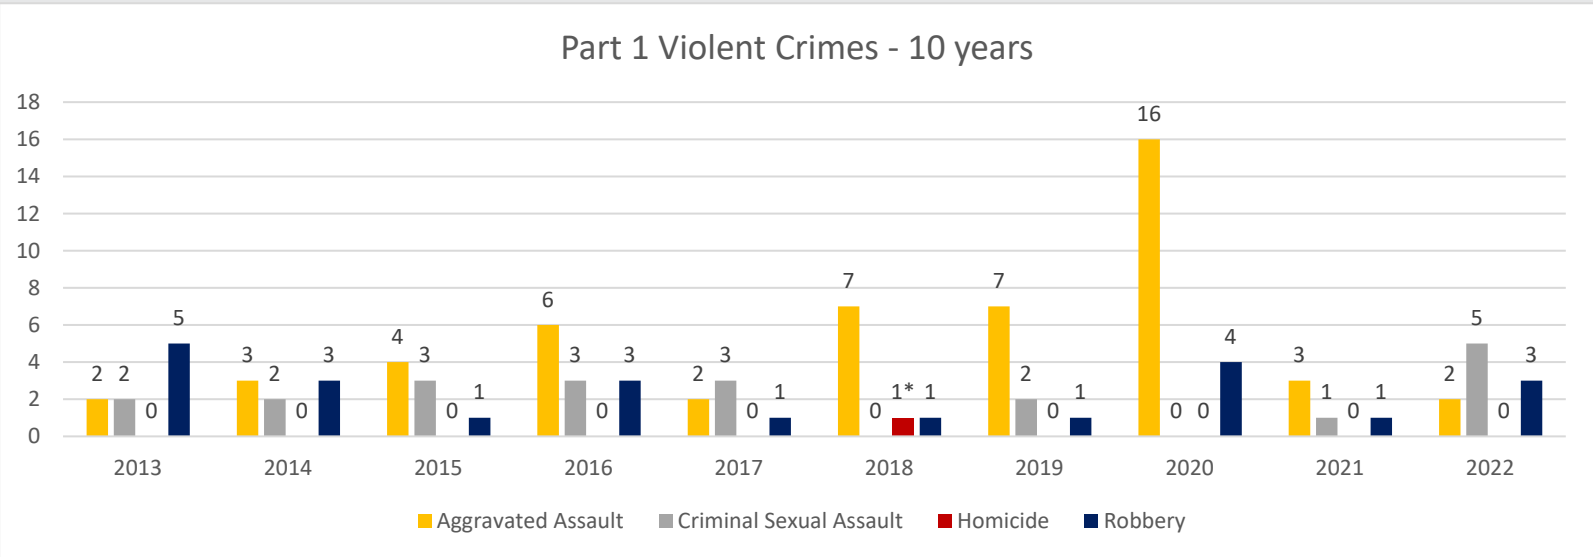

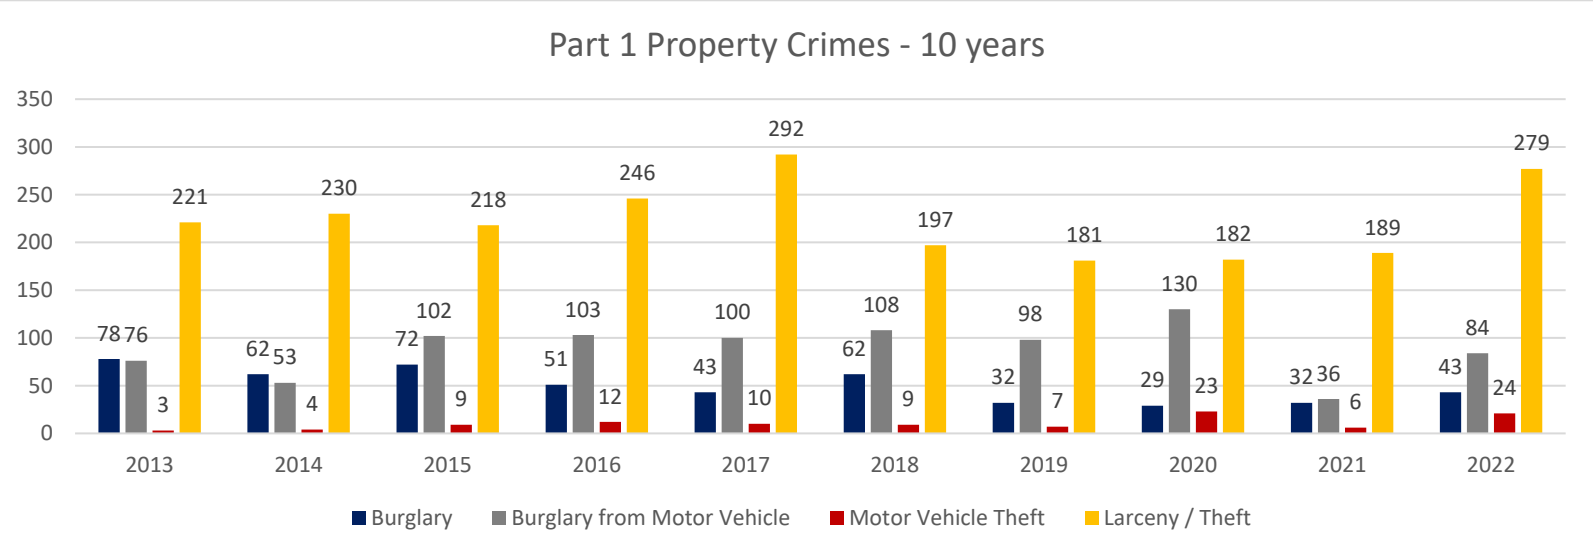

Group A Offenses: Consist of Arson, Assault, Bribery, Burglary, Forgery, Vandalism, Drugs, Embezzlement, Fraud, Gambling, Homicide, Human Trafficking, Kidnapping, Larceny / Theft, Pornography, Prostitution, Robbery, Sex Offenses, Stolen Property and Weapon Law violations.

Group B Offenses: These are only submitted to NIBRS if there is an arrest made. The Group B Offense Categories are: Bad Checks, Disorderly Conduct, DUI, Liquor Law Violations, Trespassing, and Others.

Below is a 10 year look at Wilmette’s crime reporting under the previous FBI method, Uniform Crime Reporting, known as UCR. UCR consists of Part 1 (most serious) and Part 2 Crimes. The data has been grouped into the most pertinent of Part 1 property crimes and violent crimes and is not all encompassing.

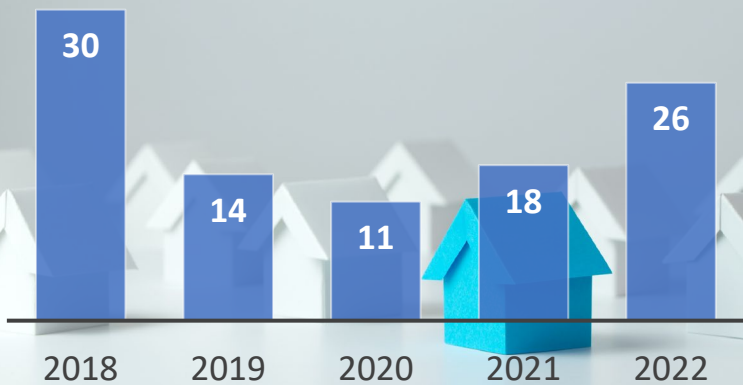

*2018 Attempt Homicide

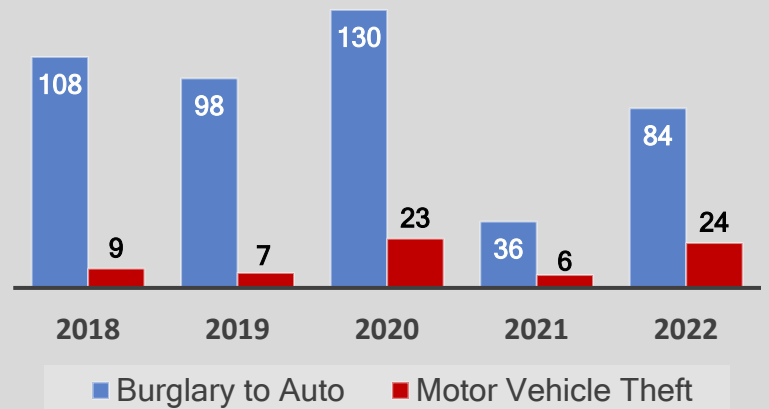

Burglary

In 2022, Wilmette charged nineteen individuals with Burglary and Theft offenses. Wilmette experienced an increase in Burglaries and Auto Theft. The vast majority of vehicles targeted during burglaries and thefts continued to be those that were left unlocked with a key fob inside. Wilmette sees a peak in Burglary to Autos and Motor Vehicle Thefts during the months of July through October. Of the vehicles stolen in Wilmette, 90% were left unlocked with a key inside the car. Citizens are reminded to hide valuables, take their keys, and lock their doors.

Residential Burglaries

Burglary to Auto / Motor Vehicle Theft

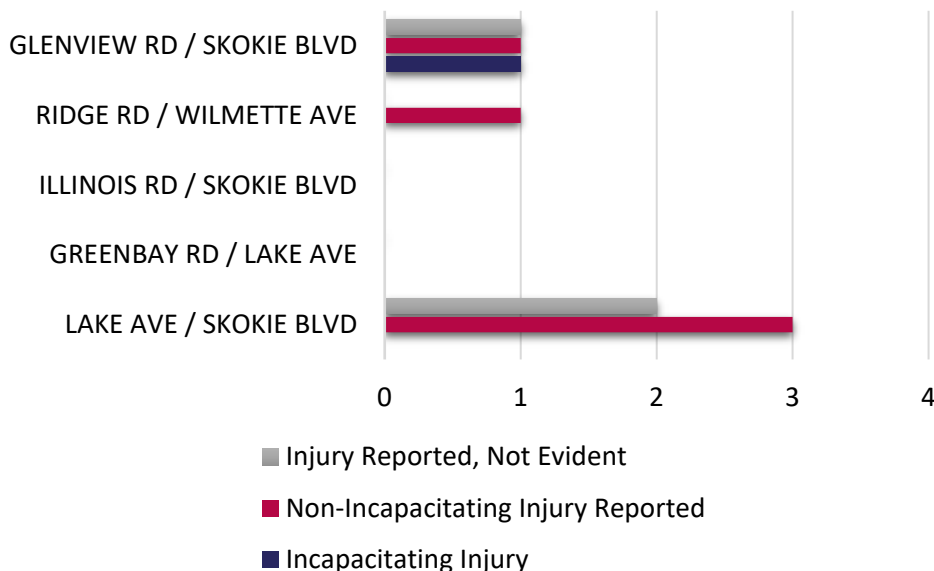

Traffic Services Statistics

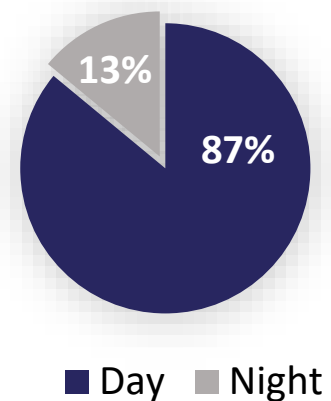

The traffic enforcement philosophy of the Wilmette Police Department remains focused on promoting traffic safety at high accident locations, in school zones, and in areas where residents have voiced concerns. We continue to work with the public on safe driving habits through education and enforcement.

Top 10 Accident Intersections	2018	2019	2020	2021	2022

Accidents with Injuries - Major Intersections

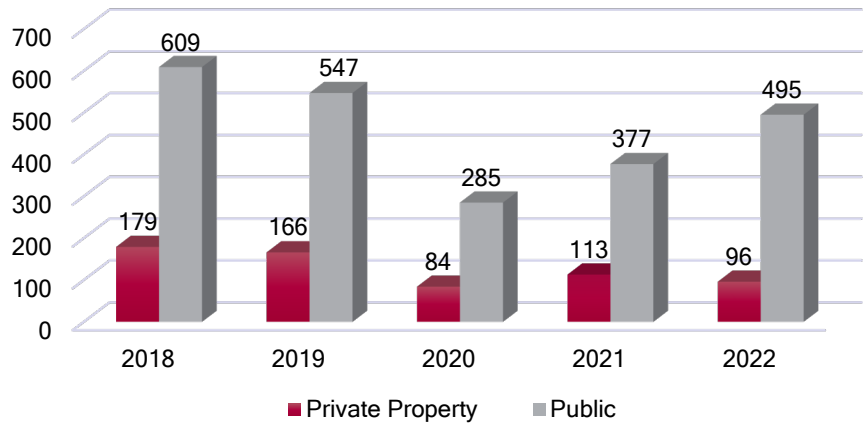

Accident Total Day vs. Night

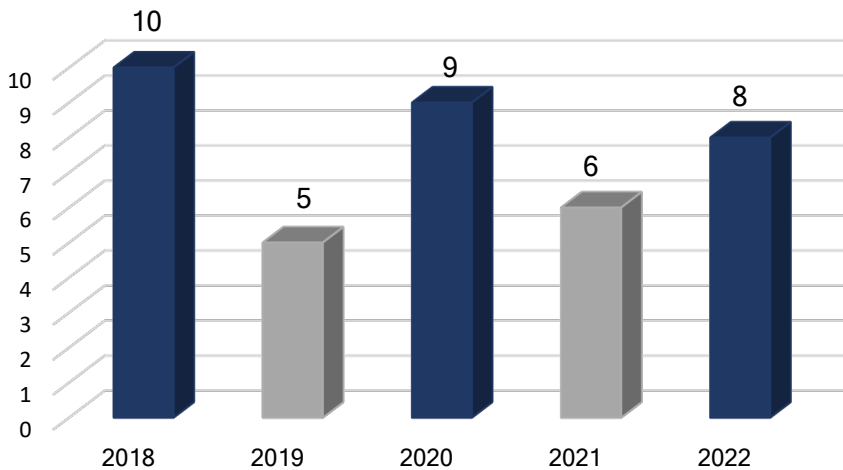

Residents may contact our Non-Emergency number at 847-256-1200 to share a traffic concern, to request additional traffic enforcement, or to inquire on the placement of a temporary speed display.

Speeding, backing up, and failure to yield continue to be frequent contributing factors to accidents. In Wilmette, most accidents occurred between 3:00 P.M. and 4:00 P.M.

Yearly Crash Totals

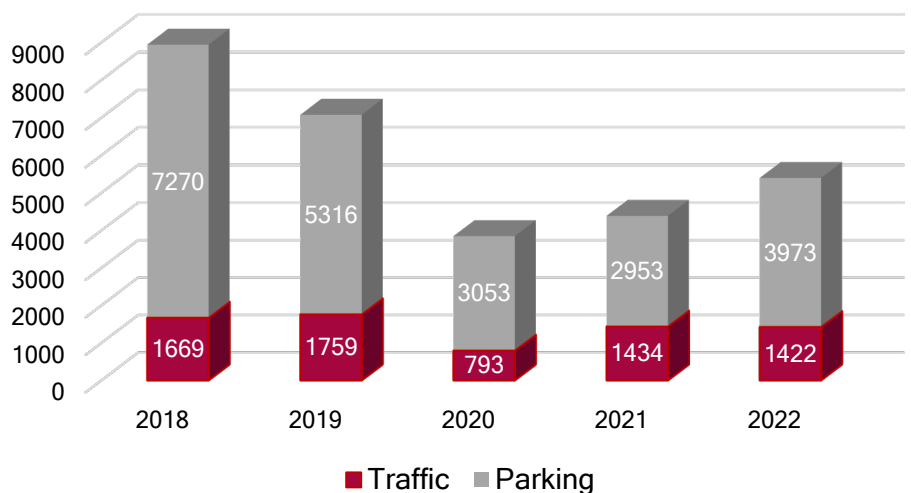

DUI Accidents

In 2022, all DUI accidents occurred between the hours of 6:00 P.M. and 1:00 A.M. In all eight of the accidents, the driver was the sole occupant of the vehicle. An injury was sustained in 25% of DUI accidents.

Throughout the year, the Wilmette Police Department participated in several traffic campaigns focused on occupant restraint, speed, distracted driving, and DUI enforcement.

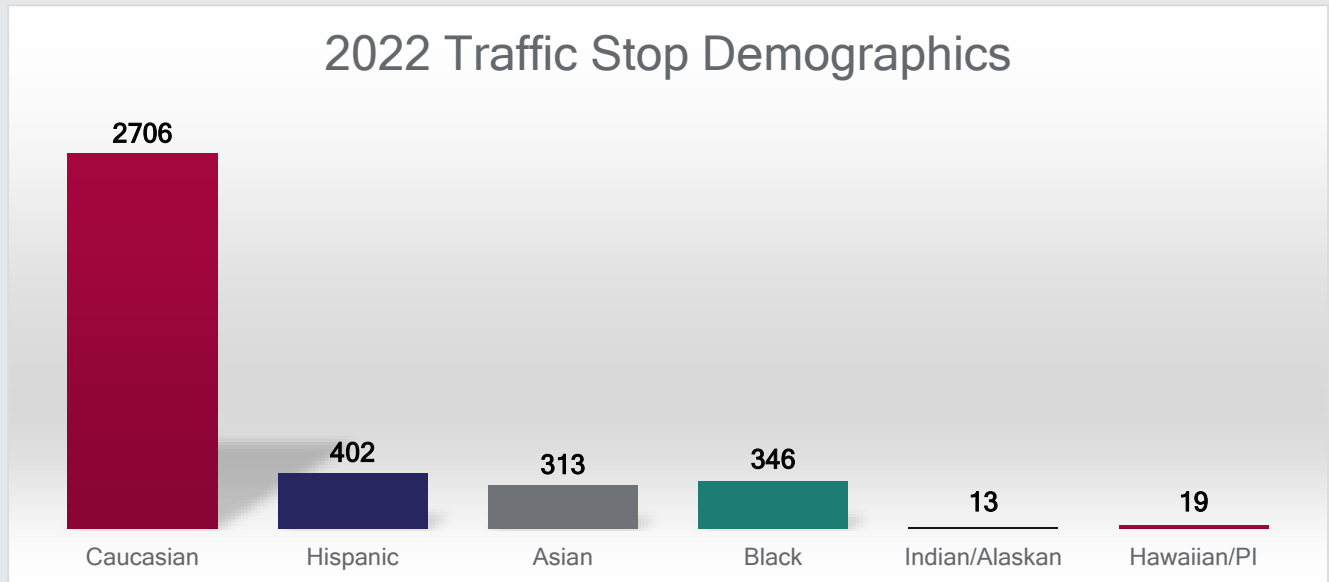

Citations Issued

Illinois Traffic Stop Study 2022

During 2022 the Wilmette Police conducted 3,799 traffic stops. This was a 15.08% increase from 2021. The tables below summarize data for stops, and the results of the stop (citation / warning)

The outcomes of these stops are consistent with a fair and impartial application of authority and discretion.

	2022 Traffic Stop Outcomes			
	Caucasian Drivers		Minority Drivers	
Total Stops	2706	71%	1093	29%
Citation	654	24%	307	28%
Warning	1783	76%	786	72%

Bias-Free Policing

As part of our commitment to bias-free policing practices, we conduct annual training and analyze traffic and pedestrian stop data to help determine if any issues exist or if any additional training is needed. An analysis of data revealed no negative pattern or trend of bias-based practices. There were no statistical differences in the outcomes of discretionary stops between how Minority populations were treated in comparison to Caucasian drivers. Additionally, no bias based policing complaints were reported to the Wilmette Police Department in 2022.

Investigations Division

The Investigations Division is comprised of a Commander, Sergeant, four Detectives, and one School Liaison Officer. Detectives specialize in the investigation of deaths as well as crimes such as burglary, robbery, assault and battery, auto theft, and identity theft. During an investigation, Detectives may be called upon to interview victims, witnesses, suspects, and offenders, and to examine crime scenes for physical evidence with which to identify suspects. In 2022, there were 630 cases assigned for investigation.

- * Financial crimes include fraud, forgery, and unlawful use of credit cards
- ** Theft includes identity theft, retail theft, and motor vehicle thefts
- *** Burglary cases include residential, commercial, and non-residential properties

Investigators are assigned to follow up on crimes that were initially reported to the uniformed patrol division. A case might be assigned to a particular investigator due to on-call status or because it involves his / her area of expertise. Investigators are subject to call-ins frequently, and division members are sometimes called upon to work with other local, state, or federal agencies to assist with more serious or complex cases. Detectives also conduct background checks for potential village employees.

2022 Wilmette Police Significant Investigations

Felony Theft from Person

In February 2022, a Wilmette resident while arriving home with her juvenile son observed an unknown male subject stealing her son's bicycle from their driveway. The victim confronted the subject and attempted to grab the bicycle from the offender. A struggle ensued over the bicycle which caused the victim to fall backwards, striking her head on the pavement. The victim sustained non-incapacitating injuries to the back of her head. The offender fled the scene in a vehicle prior to patrol officers arriving. Investigators recovered home surveillance video that captured the incident, suspect, and suspect vehicle. Investigators were able to identify a suspect, who was later arrested and charged with felony theft from a person.

Identity Theft

In February 2022, a resident reported the unauthorized use of several of her credit cards. Bank statements showed that four (4) credit cards were fraudulently used to purchase nearly \$5,000.00 in goods. Investigators were able to collect store video surveillance where the fraudulent transactions had taken place. A suspect and suspect vehicle were captured. Investigators were able to positively identify the victim's caregiver as the offender. The caregiver was later arrested and indicted on seven (7) counts of Aggravated Identity Theft.

Commercial Burglary

In August 2022, a local auto service shop reported a burglary of tools from their business. The owner reviewed the video surveillance and observed a subject making entry while the business was closed. Tools were stolen from the business. Investigators were able to identify two subjects from the video. One subject was arrested and made admissions to the burglary. He consented to a search of his vehicle which revealed proceeds of the burglary. He was charged with felony burglary and the recovered stolen tools were returned to the victim.

Armed Robbery Arrests

On August 16, 2022, at approximately 5:16 A.M., Wilmette Officers responded to the 400 block of Central Ave for a report of an armed robbery. Preliminary investigation indicated that two male offenders approached a 63-year-old female victim, who was walking on the sidewalk. The offenders displayed a handgun and demanded the victim's belongings and car keys. The offenders took the victim's cell phone, car keys, and identification. The offenders fled in a vehicle where a third adult male offender was waiting. The victim was able to provide a description of the offenders and the vehicle. Within minutes, Wilmette Police Officers located the suspect vehicle near 10th Street and Central Avenue and attempted a traffic stop. The driver of the vehicle fled north on 10th Street and rolled the vehicle off the roadway into the parking lot at 1630 Sheridan Road. As Wilmette Officers approached the vehicle, one of the offenders fired a handgun through the

windshield in the direction of Officers. No one was struck by the round and Officers did not fire their weapons. Wilmette Police Officers retreated while additional Officers responded. With the assistance of Kenilworth, Northfield, Glencoe and Winnetka Police, Officers then made another approach and were able to take three offenders into custody without further incident. The victim's property and two semi-automatic handguns were recovered from the offenders and from inside the vehicle. The vehicle used by the offenders was reported stolen from Winnetka on August 14, 2022. The two juvenile offenders were transported to Cook County Juvenile Temporary Detention Center and were petitioned to juvenile court on multiple offenses. The adult offender was charged with multiple offenses including armed robbery.

Retail Theft / Stolen Property Fencing Investigation

The Wilmette Police Department with the assistance of Homeland Security Investigations, Chicago Police Department, Will County Police Assistance Team, Shorewood Police, Will County State's Attorney, Illinois Department of Revenue, California Highway Patrol, and the Illinois State Police concluded a yearlong undercover investigation into a sophisticated retail theft fencing operation. Law Enforcement agencies worked with private sector retail partners from Kroger's Organized Retail Crime Unit, the CVS Organized Retail Crime Team, Walgreens, and Target; these organizations provided valuable support during the criminal investigation. This investigation began after retail thefts in Wilmette led to the identification of a fencing ring for stolen merchandise operating in Chicago. A cooperative multi-jurisdictional investigation was initiated after these thefts were linked to ongoing retail thefts occurring in Shorewood and Will County. On Thursday, October 6, 2022, law enforcement officers executed twelve search warrants in Chicago, Cicero, Oak Lawn, Bolingbrook, and three in California resulting in the recovery of an estimated \$7.5 million dollars' worth of retail products and evidence of a sophisticated criminal enterprise. Merchandise stolen from retail establishments throughout the Chicagoland area and surrounding suburbs was brought to the defendants by retail theft offenders. The defendants knowingly purchased the stolen property at their storefront locations in Chicago. The defendants brought the stolen merchandise to various locations throughout Chicago where they removed identifying retailer information from the items. This investigation identified the suspects taking in stolen retail products including over the counter medications which they then shipped to online co-defendant e-commerce merchants in California and third-party distributors in New York who introduced these products back into the supply chain. The defendants established numerous accounts with multiple banks and financial institutions in attempts to conceal the origin of the funds and utilized the illegal proceeds to make purchases including multiple residential properties and fund the continued operation of their financial crimes enterprise.

School Liaison Officer

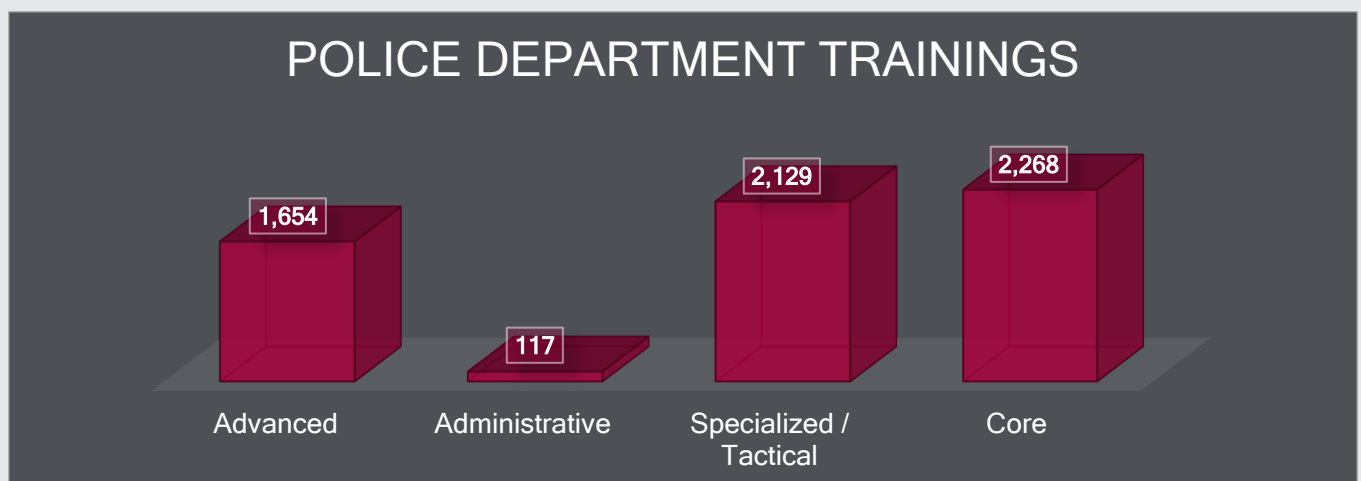

One sworn officer is assigned as the School Liaison Officer. This position is fully funded by the Village and acts as a liaison to each of the public and private schools in the Village which includes two high schools, two parochial grammar schools, a private primary school and seven public schools. The Officer conducts staff training and grade specific education classes on safety and personal responsibility. This position has also evolved into the primary resource of emergency preparedness planning and training for all schools which includes observations of state mandated safety drills and exercises. This position is the investigating officer for juvenile related issues for school-aged children in the community and coordinates the police department's role in DCFS investigations.

Training

The Wilmette Police Department is committed to maintaining well-trained and professional police officers through continual high-quality training and education. In addition to state mandated training from the Illinois Law Enforcement Training and Standards Board, Wilmette Officers attend in-house and regional classes on a variety of subjects including legal updates, crisis intervention, mental health awareness, scenario based and decision-making strategies, de-escalation techniques, and the use of force.

In 2022 the Department provided a total of 6,168 hours of training to staff. Over 2,100 hours were devoted to specialized trainings such as Forensics, Evidence Processing, or Defensive Tactics.

Recruitment

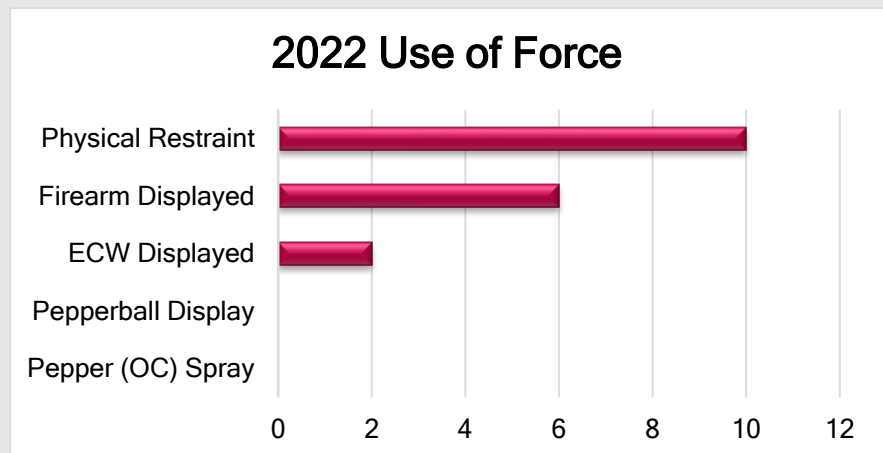

The Wilmette Police Department is dedicated to recruiting, selecting, training, and retaining the highest quality police officers and support staff. The Village of Wilmette is an Equal Opportunity Employer and the WPD actively recruits any qualified person regardless of race, color, religion, national origin, sex, or age. It is our goal to obtain a workforce consisting of the most qualified people who proportionally reflect the makeup of the available workforce in the area.

A four-year college degree has been a requirement of hire to be a Wilmette Police Officer since 1991. Several officers have postgraduate degrees, and one supervisor possesses a law degree. Eighteen percent of the sworn officers are female. Currently, ten employees have foreign language skills in the following languages: Farsi, Korean, Persian, Swedish, Spanish and Tagalog.

Use of Force

There were 16 use of force incidents in 2022. Four occurrences were related to armed subjects, four were assault / battery calls, two were related to burglary / auto theft, three were related to DUI / resisting, and three were

related to trespassing/mental health calls. All incidents involving an Officers use of force in response to resistance were found to be appropriate and in accordance with policy and state law. There were no complaints of excessive force reported in 2022.

2022 Use of Force Incidents		
Physical Restraint	10	55%
Firearm Displayed	6	34%
ECW Displayed	2	11%
Pepperball Display	0	0%
Pepper (OC) Spray	0	0%

Firearm / ECW (Taser) Displayed: The Wilmette Police Department tracks Officers' display of a weapon as a use of force. All officer displays of a firearm or ECW were an appropriate response to the actions of the suspects or involved armed / reportedly armed suspects.

Merely displaying the firearm or ECW ended the incident without further use of force.

Complaints / Internal Investigations

Police Department employees are expected to always conduct themselves in a professional manner and in accordance with the Department's mission, values, policies, and procedures. Any individual may submit complaints against a member(s) of the Police Department. Complaints can be submitted anonymously if preferred. All complaints are thoroughly investigated. This includes interviewing the complainant, witnesses, officer(s) involved, and a review of available audio / video recordings. Serious incidents such as an officer-involved shooting or an in-custody death would be investigated by outside agencies.

Findings for internal investigations are classified in one of the following dispositions: *Sustained, Not Sustained, Unfounded, and Exonerated*.

In 2022, there was one external complaint received by management alleging conduct violations by Wilmette Police Department employees: the complaint was unfounded.

Records

The Records Section is responsible for the processing, distribution, and retention of all police documents. These documents include offense reports, crash reports, traffic citations, arrest and search warrants and any supporting documents. The Records Section also serves as a citizen support center taking calls and speaking

	2018	2019	2020	2021	2022
Case Reports	1,670	1,710	1,825	1,831	2,034
Accident Reports	792	713	369	490	591
FOIA Requests	297	268	284	260	281
Court Ordered Expungements	53	61	29	47	33
Parking Tickets	7,315	5,316	3,053	2,953	3,973
False Alarms	920	972	580	578	513

face-to-face with the citizens and visitors to the Police Department. The Records Section receives and processes Freedom of Information Act (FOIA) requests related to police activity, handles parking violation complaints, and directs citizens to the appropriate officer for incident related complaints.

Communications

The Wilmette Emergency Communications Center is staffed 24 hours a day 365 days of the year. The Emergency Communications Center, or dispatch as it is commonly called, receives calls from citizens via both 9-1-1 and non-emergency telephone numbers. Calls are screened to determine the need for police, fire and /or ambulance assistance and whether a response is required.

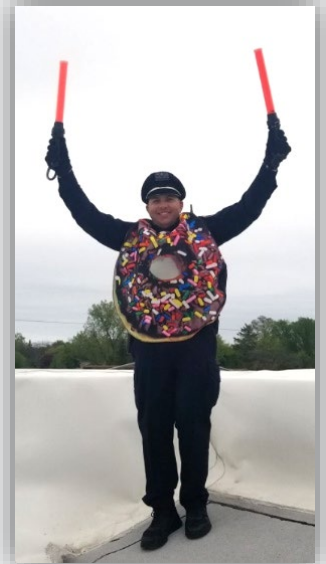

The Wilmette Police Department uses a call priority and classification system to ensure that those needing help most urgently get the fastest possible response. All telephone and radio conversations involving the Emergency Communications operations are recorded and strict attention to accuracy, speed, and quality are maintained. The Emergency Communications Center is staffed by full-time and part-time telecommunicators.

Illinois Special Olympics

In 2022 the Wilmette Police Department raised \$28,381 for Special Olympics Illinois. WPD raised funds by participating in the Polar Plunge, Dunkin' Cop on a Rooftop, the Law Enforcement Torch Run, as well as selling raffle tickets and Torch Run t-shirts. The total funds collected by the Wilmette Police Department was the 24th highest in the State of Illinois of the 350+ departments / agencies that participated in Torch Run fundraising activities.

Open House

Each year, the Wilmette Police Department hosts our annual Open House on the first Sunday in May. It is a great opportunity for the community to interact with our staff and learn about programs and services. The Police Department opens its doors for tours, photo ops, vehicle displays, special teams presentations, and more!

Social Media

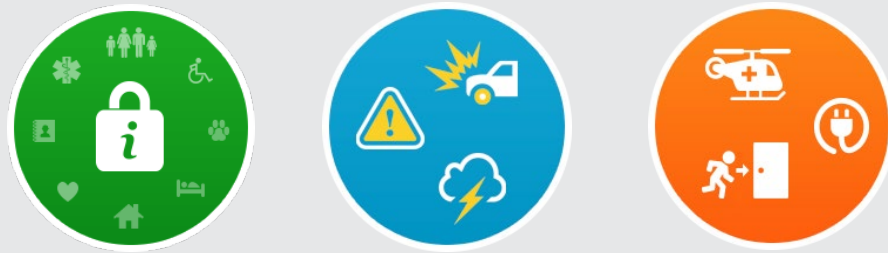

The Wilmette Police Department is on Social Media. We have an account with Nextdoor, Facebook, Instagram, and Twitter so we can better communicate and connect with you about safety tips, crime alerts, etc.

Come check us out:

Smart911

The Wilmette Police Department offers **Smart911**, a free service to individuals. This new system has a dual purpose: first, it allows you to create a Safety Profile which provides important information to first responders in emergencies, and second, it acts as the Village's emergency alert notification system.

Safety Profile

What is a Smart911 Safety Profile?

Smart 911 is a free, opt-in service in which you create a Safety Profile. You provide information that you want 911 and first responders to have in the event of an emergency. When anyone in your household dials 911 from a landline or cellphone associated with their Safety Profile, their profile is immediately displayed to the emergency dispatcher. Your Safety Profile is secure and confidential, and is only accessible to emergency responders after you dial 911.

Some of the information that could be life-saving includes:

- Home & work addresses
- Medications & medical equipment
- Pets, service animals
- Phone numbers of your family members
- People living in your household
- Medical conditions and allergies
- Vehicle descriptions
- Emergency contacts

Emergency Alerts and Village Service Notifications

Can I register for Wilmette-specific alerts and notifications through Smart911?

Yes - In your Safety Profile, you can choose to receive the notifications via phone call, text, e-mail or through the mobile app. When using the app, the system provides you real-time information based on your location. In addition to Wilmette specific alerts, the system allows you to opt-in to notifications from other local public safety agencies and the National Weather Service based on your location.
