Subject: Village of Wilmette -- Notice of Neighborhood Stormwater Open House Meetings
Attachments: Notice of open house to residents final 030514 (2).pdf

Greetings:

Attached, please find a letter from the Village of Wilmette inviting residents who live west of Ridge Road to attend one of three neighborhood workshops. The purpose of the workshops is to meet with Village staff and our consultants to discuss stormwater flooding in your area. Please note that the workshops are divided into drainage basins. If you are not sure which meeting to attend, please contact me via email or at 847.853.7627.

You are receiving this email because you have previously expressed an interest in stormwater improvements in the Village.

Best regards,

Brigitte A. Berger, P.E.
Director of Engineering Services
