Subject: Reminder of Thursday's Committee of the Whole Meeting to Discuss Infrastructure

Good evening everyone:

As a reminder, the Village Board has scheduled a meeting for Thursday, October 20 at 7pm in the Village Hall Council Chambers to continue discussions of the \$77 million storm sewer project west of Ridge Road. Other topics of discussion include funding for the annual road program, Village facility repairs and Water Plant improvements. [Meeting materials, including the presentation and emails from residents regarding the proposed project can be viewed by clicking here](#)

If you are unable to attend the meeting, you can view it live on WCTV Channel 6 or the Village's website at www.wilmette.com.

Please do not hesitate to contact me if you have any questions.

Best regards,
Brigitte
