

# 2021 Leaf Collection

More information available at [wilmette.com/engineering-public-works/leaf-collection](http://wilmette.com/engineering-public-works/leaf-collection)

The Village's leaf collection service will begin Oct. 11. Here are some tips and reminders to ensure smooth collection:

- During a two-day collection period, residents must have their leaves raked out no later than **7 a.m. on the first** scheduled collection day. **Only one** collection is made for each street and will occur on either the first or second day of scheduled collection.
- Street parking is prohibited on leaf collection days.
- If your regular trash/recycling/yard waste pickup falls on the same day as leaf collection, place totes two to three feet behind the curb.
- Leaves must be loose, not in bags or containers.
- Avoid raking leaves onto the street until two days prior to your scheduled collection day to prevent clogs in the storm drains.
- In the event of inclement winter weather that delays collection, residents will receive an email notification. Sign up for Village E-News at [wilmette.com/connect](http://wilmette.com/connect).
