Wilmette
PUBLIC SCHOOLS
DISTRICT 39

150 Years of Wilmette Public Schools A Walk through History

District 39 families and community members are invited to engage in a history walk at each of the district's 6 schools to learn more about how each school has changed through the years, and how the schools have helped shape Wilmette over the past 150 years!

History walks will be placed along walkways around each school beginning April 4

Central School: Along Lake Street
Harper School: Along the lawn in front of Harper
McKenzie School: Along Prairie Avenue
Romona School: In the W.E.L.L. Garden
Highcrest: Along the front walkway by the sign
WJHS: Along the pathway behind the building (next to park)

There are two activities to accompany the History Walk!

1. History Scavenger Hunt Fill out the answers to the questions to the Scavenger Hunt and email to communications@wilmette39.org for a special prize! Access the Scavenger Hunt through the QR code here or on the signs at the site.

2. Design a Wilmette Seal Use the history you have learned through the History Walk to create a seal that represents Wilmette. Access the seal activity at this QR code.
