INSPECTIONS:

1. **This dumpster permit is valid for 6 months from above issue date.**
2. A dumpster permit must be obtained from the Department of Engineering prior to placing a dumpster in the Village of Wilmette.
3. Dumpsters should be placed on **private property**.
4. A dumpster may be placed on public property only if there is not enough area for a dumpster to be placed on private property and is confirmed and approved by the Engineering Department.
5. Dumpsters placed on the public right of way must be protected by lighted barricades. Reflective type traffic cones are not acceptable.
6. **Final inspection is required for dumpsters placed on the public right of way and must be scheduled by calling the Engineering Department at 847-853-7660. The dumpster location and permit number is needed to request a final inspection.**
