As part of the Emergency Declaration, the Village has acknowledged the financial burden on the Village’s small business community and therefore, the Village has established the Wilmette Local Business Economic Relief Package which is a grant program to provide funds to Wilmette businesses that have suffered economic loss during the COVID-19 Pandemic (“Grant Program”). The Grant Program will distribute a portion of the Village’s share of municipal sales tax (“Grant”) to eligible local businesses to supply businesses with immediate cash for short-term financial operational needs such as payroll, payment to suppliers, or payment of utilities.
