# Public Information Meeting

The Village of Wilmette is hosting a public meeting for the **US. Route 41 (Skokie Boulevard) and Lake Avenue Intersection Improvement**. The improvements include resurfacing Lake Avenue, minor modifications to the intersection geometry, pedestrian safety enhancements, and a multi-use path on Skokie Blvd north of Lake Ave. The purpose of the meeting is to introduce the project to the public, present the project schedule, existing conditions and proposed improvement alternatives, and to seek public input and comments regarding the project.

Attendance will be limited to 50 people at one time, including Village staff and consultant representations, and a line may form. The meeting will be held outdoors and all attendees must wear a mask and practice social distancing. No one will be allowed into the meeting without a mask.
