## Chapter 8. Housing and Building Regulations

### Article X. Portable Storage Containers

#### Sec. 8-381. Maximum size and number; permitted use; other regulations.

- (a) Only one storage container greater than 16 feet in length shall be allowed. At no time shall the aggregate length of any combination of portable storage containers on the subject property exceed 16 feet.
- (b) Portable storage containers shall be utilized only for the storage, loading, and unloading of personal property belonging to the permit holder.
- (c) No construction equipment, building materials, hazardous or flammable substances may be stored inside any portable storage container.
- (d) Portable storage containers shall not be utilized for the purpose of storing materials equipment or merchandise related to a home occupation, or otherwise used for commercial purposes.
- (e) No portable storage container shall be located on public right-of-way or public property, unless the permit holder is the public entity on whose property or right-of-way the portable storage container will be located.
- (f) Portable storage containers shall be located at least five feet from any lot line, the public right-of-way and any public sidewalk. A portable storage container shall not be placed in any location defined as a "required unobstructed area" as provided in sections 20-96 – 20-99.
