## Permit Application Packet for Small Wireless Facilities

Please complete this packet & submit via e-mail to [utilitypermits@wilmette.com](mailto:utilitypermits@wilmette.com) with all the supporting documentation required herein. See page 2 for information on how to remit the application fee(s).

### APPLICATION REQUIREMENTS

The following documents must be attached or included for the Application to be complete:

- Application fee(s):
  - \$500 for an application to collocate a single small wireless facility on an existing utility pole or wireless support structure and \$100 for each additional small wireless facility addressed in a consolidated application to collocate more than one small wireless facility on existing utility poles or wireless support structures
  - payment may be made *in person* the Village of Wilmette Village Hall (1200 Wilmette Ave), or
  - payment can be made *online* after the submission of this application and all required documents are received via e-mail to [utilitypermits@wilmette.com](mailto:utilitypermits@wilmette.com); the applicant will receive a link with instructions on how to submit payment online with their respective Wilmette application number
- Site specific structural integrity, AND for a municipal utility pole  Make-ready analysis prepared by a structural engineer
- The location where each proposed small wireless facility or utility pole would be installed
- Photographs of the proposed site location and its immediate surroundings
- Specifications and drawings prepared by a structural engineer for each proposed small wireless facility
- The equipment type and model numbers for the antennas and all other wireless equipment associated with the small wireless facility
- A proposed schedule for the installation and completion of each small wireless facility, if approved
- Proof of permission granted by property owner, if existing pole not owned by the City
  - In the event that the proposed small wireless facility is to be attached to an existing pole owned by an entity other than the Village, the wireless provider shall provide legally competent evidence of the consent of the owner of such pole to the proposed collocation

### ATTESTATION, ACKNOWLEDGEMENT & SIGNATURE

I attest to the best of my knowledge and believe that the information stated in this application and in all supporting plans and documents is true and accurate. To the best of my knowledge, I certify that the proposed collocation complies with the terms of 20-248(c) Collocation Requirements of the Wilmette Village Code.
