Dear Ms. Roberts,

My family and I are grateful for the opportunity to present our request for variance, and we appreciate and respect the quality of life and property values this process protects for all of us in Wilmette. I am eager to attend the Village Board of Trustees' Meeting that is scheduled on Tuesday, May 28, 2019, however, previously unplanned travel requirements regrettably require me to be out of state that date.

Because it is important to me and to our case that I can be personally present for the variance decision from the Board, I humbly request the case to be continued and incorporated into the following gathering of the Village Board of Trustees if possible.

Thank you for your service to the Village of Wilmette, and thank you very much for your time and consideration regarding our family's case.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael Gallagher".
