Subject: Re: Moratorium request letter

Tim, for the Tuesday night Board meeting, I am requesting the removal of the New Business agenda item pertaining to a would-be moratorium on significant new development in our Village. I appreciate your receiving my request for staff assistance to help me define parameters for a would-be moratorium. Your detailed memo has, for now, fulfilled my request insofar as I am better informed about how to shape parameters for a potential effort in the future. Also for now, I will refrain from commenting on the substance of your memo, but I look forward to continuing the dialogue. Thank you again. Regards, Joel
