

# WILMETTE FIRE DEPARTMENT

## OPEN HOUSE

### HOMework ASSIGNMENT

We want to give  
you one of  
these cool fidget  
spinners!

This year's theme for Fire Prevention Week is "Every Second Counts: Plan 2 Ways Out!" It is very important that all family members practice exit drills in their homes. To emphasize this, we have developed a short home life safety survey that should be reviewed and completed at your residence. You may complete the survey on any computer, tablet, or smartphone with internet access. This is a great activity for the entire family to complete together! You can access the home safety survey by going to:

If you do not have access to the internet, please contact your child's teacher for a paper copy of the home safety survey.
