Public Comment

Any member of the public wishing to address the Village Board on a matter not on the published agenda is welcome to do so under the Petitions and Communications section of the agenda. Due to the many items typically on the Board's agenda, we ask that you limit your comments to five minutes. Items introduced under the Petitions and Communications section may be referred to the Village staff or become agenda items for subsequent meetings.

Addressing the Village Board

When addressing the Village Board, please state your name and address. In order to ensure that all persons may have an opportunity to speak, a time limit may be set by the President for each speaker. When a large number of citizens are scheduled, please avoid repeating statements already made.

MEETING AGENDA

General Order of Business

Consent Agenda

There are several matters that appear on the Village Board's agenda that are considered routine in nature. These items appear on the Consent Agenda and are identified by an asterisk. They will be approved by a single motion at the beginning of the meeting. Before a vote is taken on the Consent Agenda, the Village President will ask if any Board member or interested individual from the audience would like an item removed from the Consent Agenda and discussed as a separate item. If the item is approved on the Consent Agenda it will not be discussed later in the meeting.

Order of Discussion

The order of discussion generally begins with a Committee Chair introducing an item followed by questions from the Board. Individuals directly involved in a matter (such as a petitioner for a zoning variation), as well as interested citizens are invited to speak. At the close of public discussion, the item is then considered by the Village Board and action is taken.

Ordinances and Resolutions

Ordinances and resolutions are often discussed and voted on by the Village Board. Ordinances become laws when adopted by the Village Board. Resolutions are official policy decisions made by the Village Board.

Executive Session

At the conclusion of some meetings, the Village Board may vote to adjourn from its public meeting in order to meet privately in an Executive Session. Discussion by the Village Board in Executive Sessions is not open to the public and is limited by state law to matters where the public interest is best served by confidentiality, such as the discussion of pending lawsuits, sensitive personnel issues, or the pricing of property purchase or sale.

VILLAGE BOARD

The Village Board is the legislative body of the Village government. It determines all matters of Village policy and must approve all Village ordinances and resolutions as well as adopt the annual Village budget. The Village President and Trustees are elected at-large, in non-partisan elections for staggered, four-year terms. There is a two-term limit for the Village President and members of the Village Board. The Village President presides at Board meetings.

VILLAGE BOARD STANDING COMMITTEES

To assist the Village Board in the decision-making process, standing committees allow for detailed discussion on certain items. Frequently, when an item appears on the Board's agenda, it has already been reviewed by a committee. Each committee is chaired by a Village Trustee and consists of three members of the Village Board. The name and description of each committee appears below:

Land Use. This committee considers all matters relating to land use, appearance review, planning and zoning. Trustees Sullivan (Chair), Ducommun and McKenna are on this committee.

Finance. This committee reviews matters of fiscal policy, appropriations, tax levies and bond issues. Trustees Ducommun (Chair), McKenna and Sullivan serve on this committee.

Administration. This committee considers matters relating to personnel policy, transportation, health, utility franchises and other matters as may be designated by the Village President. Trustees Wolf (Chair), Krueger and Plunkett are members of this committee.

Municipal Services. This committee reviews matters relating to streets and public ways, refuse disposal, water and sewer services and capital purchases. Trustees Krueger (Chair), Sullivan and Wolf are on this committee.

Public Safety. This committee considers matters relating to Fire and Police Departments and the Board of Fire and Police Commissioners. Trustees McKenna (Chair), Plunkett and Wolf are on this committee.

Judiciary. This committee periodically studies and reviews new ordinances and new procedures for ordinance enforcement outside of the domain of other committees. This committee also considers liquor control issues. Trustees Plunkett (Chair), Ducommun and Krueger serve on this committee.
