- On January 1st of each year, the pay plan, and in conjunction the employee's salary is adjusted by a cost-of-living adjustment (COLA); on 1/1/24, the COLA is 2.50%.

FLEXIBLE SPENDING ACCOUNTS

Flexible Spending Plan: This benefit allows employees to set aside a fixed amount of pre-tax wages to pay for qualified expenses. Qualified expenses may include out-of-pocket medical, dental and vision expenses to include childcare and public transportation/parking fees with pre-tax dollars, which lowers your tax liability. The employee decides the amount they want to set aside for the year (within the maximum limits set forth by the IRS).

TUITION REIMBURSEMENT

Part-time employees, that have successfully completed their probationary period, are eligible to participate in the Village's tuition reimbursement program as provided for in this Personnel Manual for up to 50% of the reimbursement provided to full time employees.

RETIREMENT PLANS

Pension: Village employees who work 1,000 hours or more per year participate in a defined benefit pension plan covered by the Illinois Municipal Retirement Fund (IMRF). The IMRF program provides mandatory retirement and disability benefits, as well as an optional life insurance benefit. Employees contribute 4.5% of their salary to their pension plan and the Village contributes approximately 11%. An employee becomes vested in the plan after ten years of service. If an employee decides to leave prior to this time, his or her share will be returned upon request. More information can be found at www.IMRF.org.

IMRF Voluntary Additional Contribution (VAC) – IMRF also provides an optional retirement savings plan in which employees can elect to contribute up to 10% of their salary and receive a guaranteed rate of return. The current interest rate is 7.25%.

Voluntary Deferred Compensation Plan (457 Plan): Employees are eligible to contribute to a deferred retirement plan managed by MissionSquare Retirement. There is no Village match for this program. For more information, visit their website at www.ICMARC.org.
