3.0 - QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the RFP. To the extent that changes to the RFP are required based on the questions received, the RFP has been modified as noted above in the RFP section of this Addendum.

Item	Questions and Answers
3.1	<p><u>Question:</u> It is not clear what you are asking for. Do you desire a Phase I Assessment, via The newest ASTM Standards? If so, are you certain that you desire to bid this in this fashion ? It is not a commodity. Many firms will bid low but not be truly capable. It is rare that a highly qualified firm is hired for a Phase I via the RFP process. This is professional service, like that of your Outside Counsel.</p> <p><u>Answer:</u> This is not a bid. It is a request for professional services. The Village is seeking the services of a qualified Engineer to provide the services and report outlined in the specifications section and Attachment Two of the RFP.</p>
