Total Bid Amount	\$ _____

TOTAL BID AMOUNT IN WORDS

RFB SPECIFICATIONS

REPLACEMENT OF THE BURMEISTER PARKING LOT FENCE

The following Specifications and other provisions shall govern the performance of the proposed Work and will be made a part of the Contract.

The existing fence was installed incorrectly and with the wrong materials. The Village is seeking to:

1. Remove, transport and stack existing fence materials at the Village's Public Works Yard, 711 Laramie, Wilmette, IL; and,
2. Install new fence comprised of:
 - a. Six (6) foot horizontal cedar planks (clear grade) pre-stained on all sides and edges with Behr Transparent in color Chocolate T-129 stain.
 - b. Secure horizontal planks with one (1) vertical, (clear grade) pre-stained plank centered between slatted posts to prevent bending and warping.
 - c. Install four (4) inch factory finished black aluminum or galvanized steel powder coated slatted posts set in concrete filled post holes.

The completed fence shall be six (6) feet high from the ground; and approximately 131 feet in length comprised of an east section measuring approximately 78 feet and a west section measuring approximately 53 feet.

The approximately 28 feet between the western edge of the sidewalk and start of the west section (i.e. a large tree) is specifically excluded from this Work.

The following is a conceptual rendering of the completed fence:
