The following statistics regarding employment within the corporate limits of the Village of Wilmette were derived from the U.S. Census Bureau and the State of Illinois Department of Employment Security.

JOB COUNTS IN WILMETTE BY WORKER AGE (2014)

Top NAICS Industry Sectors in Wilmette

Date: October 27, 2017
To: Village Board Finance Committee
From: Michael Braiman, Assistant Village Manager
Subject: Business License Data

Per the Village Code, businesses operating within Wilmette must have a valid Village of Wilmette business license. Some business types are exempt from this requirement but are issued a license at the owner's request. This is typically done for the purposes of lending requirements. Specifically home occupations and non-profit groups are exempt. As of the end of September 2017, there were 558 licensed businesses in Wilmette.

Each business license is categorized in the Village's records management system by the Standard Industrial Classification System (SIC code). For the Committee's review, there are two tables attached:

- Retail related businesses, of which there are 164 licensed businesses
- All 558 licensed businesses

Retail Businesses

For purposes of SIC coding, the retail businesses in Wilmette can be grouped into nine different major groups including:

- Building, Hardware and Garden Supply Stores
- Department Stores
- Food Stores
- Automotive and Gasoline Service Stations
- Apparel and Accessory Stores
- Home Furniture, Furnishings and Equipment Stores
- Eating and Drinking Places
- Miscellaneous Retail
- Theater and Amusement Venues
